Dai uno stile al top menu

Da questo

A questo
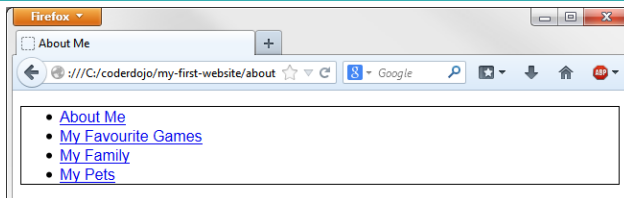

Usando CSS :

```
body {
font-family: sans-serif;
}
ul {
border-style: solid;
border-width: 1px;
padding:0.5em;
border-radius: 0.5em;
background-color: black;
}
ul li {
border-style: solid;
border-width: 1px;
list-style-type: none;
display: inline;
margin-right: 0.5em;
margin-left: 0.5em;
}
ul li a {
color: white;
}
```

Fai un passo allo volta
per vedere come funziona CSS!

1

```
body {
font-family: sans-serif;
}
ul {
border-style: solid;
border-width: 1px;
}
```
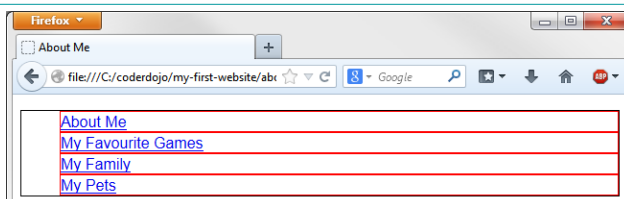

2

```
ul {
border-style: solid;
border-width: 1px;
}
ul li {
border-style: solid;
border-width: 1px;
border-color: red;
}
```

3

```
ul li {
border-style: solid;
border-width: 1px;
border-color: red;
list-style-type: none;
}
```
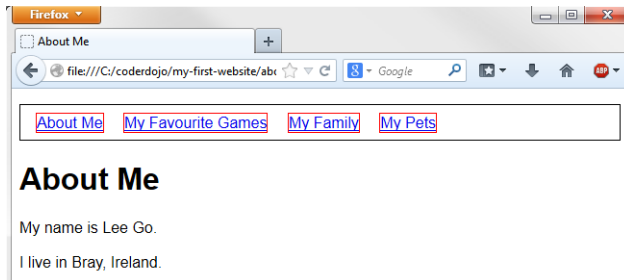

4

```css
ul li {
  border-style: solid;
  border-width: 1px;
  border-color: red;
  list-style-type: none;
  display: inline;
}
```

**5**

```css
ul {
  border-style: solid;
  border-width: 1px;
  padding: 0.5em;
}
```

6

```css
ul li {
  border-style: solid;
  border-width: 1px;
  border-color: red;
  list-style-type: none;
  display: inline;
  margin-right: 0.5em;
  margin-left: 0.5em;
}
```

7

```css
ul {
  border-style: solid;
  border-width: 1px;
  padding: 0.5em;
  border-radius: 0.5em;
  background-color: black;
}
```
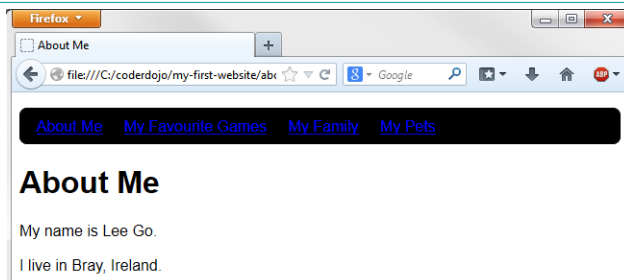

8

```css
ul li {
  border-style: solid;
  border-width: 1px;
  border-color: red;
  list-style-type: none;
  display: inline;
  margin-right: 0.5em;
  margin-left: 0.5em;
}
```

9

```
body {
font-family: sans-serif;
}
ul {
border-style: solid;
border-width: 1px;
padding: 0.5em;
border-radius: 0.5em;
background-color: black;
}
ul li {
list-style-type: none;
display: inline;
margin-right: 0.5em;
margin-left: 0.5em;
}
ul li a {
color: white;
}
```
